🌐 <https://filacadportfolio.netlify.app>

Resourceful professional with successful track record in developing innovative web designs and features. Possesses solid knowledge of HTML, CSS, JavaScript and React JS with ability to quickly learn new technologies. Demonstrated success in identifying and resolving complex code issues.

## Experience

### WPH Digital Pte Ltd, Singapore (Remote)

2022 - 2024

#### Frontend Developer - Mid Level

- Led as a front-end developer for a designated project segment, overseeing the collection, definition, and translation of user requirements into project designs and implementation plans.
- Actively tested the functionality of web-based products, delivering iterative enhancements to meet customer needs.
- Employed HTML, CSS, JavaScript, and related libraries/frameworks to develop visually appealing and responsive web pages aligned with client specifications.
- Addressed technical issues in front-end development, ensuring prompt resolution to uphold project timelines.
- Conducted comprehensive cross-browser testing to ensure consistent display across diverse devices and browsers.

## Education

### Quezon City University

2022

- Bachelor of Science: Information Technology
- Best in Capstone Project in Senior High School
