Bachelor of Science: Information Technology
Quezon City University - 673 Quirino Hwy, Novaliches, Quezon City

Work History

- 2022-08 - 2024-04

Front End Developer 2
WPH Digital Pte Ltd, Singapore (Remote)
 - Collected, defined and translated user requirements into project designs and implementation plans.
 - Tested web-based product functionality and delivered iterations to customer.
 - Utilized HTML, CSS, JavaScript and other libraries/frameworks to create visually appealing and responsive web pages that met client requirements.
 - Troubleshoot technical issues related to front end development, ensuring prompt resolution to maintain project timelines.
 - Conducted cross-browser testing to ensure consistent display across different devices and browsers.
